Research Stage	Date Completed	Adviser's Initial/Signature
Title Proposal		
Review of Related Literature		
Data gathering		
Research Design		
Development Planning		
Proposal Manuscript		
Mock Proposal Defense to Adviser		
Chapters 1–3 (printed)		
Proposal Defense		

D. Important Instructions

1. The research group must bring this routing log to every consultation with the adviser.
2. Every consultation must be recorded, including the date, research part discussed, work presented, adviser's recommendations, and agreed next steps.
3. The adviser must provide comments/recommendations and sign or initial the form after each consultation.
4. Students are responsible for keeping the routing log complete, updated, and properly secured.
5. The routing log will be checked by the research coordinator, department, or panel to monitor the progress of the research group.
6. A consultation entry should only be recorded when an actual consultation has taken place.
7. The routing log serves as documentation of the students' research progress and the adviser's guidance and supervision.
8. Students are expected to act on the recommendations given by the adviser and present the required revisions or outputs during the next consultation.
9. The completed routing log shall be submitted as part of the research/thesis documentation before the Proposal/Final defense or as required by the Subject teacher.

E. Adviser Acknowledgment

I acknowledge that the consultations recorded in this form reflect the guidance and recommendations provided to the research group during the indicated dates.

Research Adviser: _____

Signature: _____

Date: _____
